

SCS TODAY: August 7, 2020

[A late-day M-W-F update from the SCS Dean's Office]

TO KNOW

— Be sure to read today's update for CMU faculty and staff regarding [Preparations for Fall Hybrid and Remote Instruction](#) from Provost Jim Garrett where he shares the most current information about technology and learning spaces, minimum requirements for returning to campus, expectations for the arrival of students, and CMU's plan for testing, monitoring and contact tracing.

TO FOLLOW UP

Thanks to everyone who participated in the faculty and staff Town Hall meeting yesterday. I'll spend some time to get answers to questions that were asked for which I do not yet have answers, and I'll follow up with more information in an SCS TODAY next week. Thanks, also, to everyone in SCS for all your efforts during these challenging times.

Until Monday,
----- Martial
